## AWARD-WINNING WEDDING PHOTOGRAPHERS

Our mission is to capture memories and stories of magical personal events with warmth and artistry to preserve those moments for a lifetime.

We know that great customer service lies in the personal touch. We focus on the small details and engage with our clients in a relaxed and friendly manner, allowing you to feel at ease. We truly value our clients and offer a tailor-made, flexible service that leads to classic, detailed and engaging wedding photography you'll treasure for a lifetime.

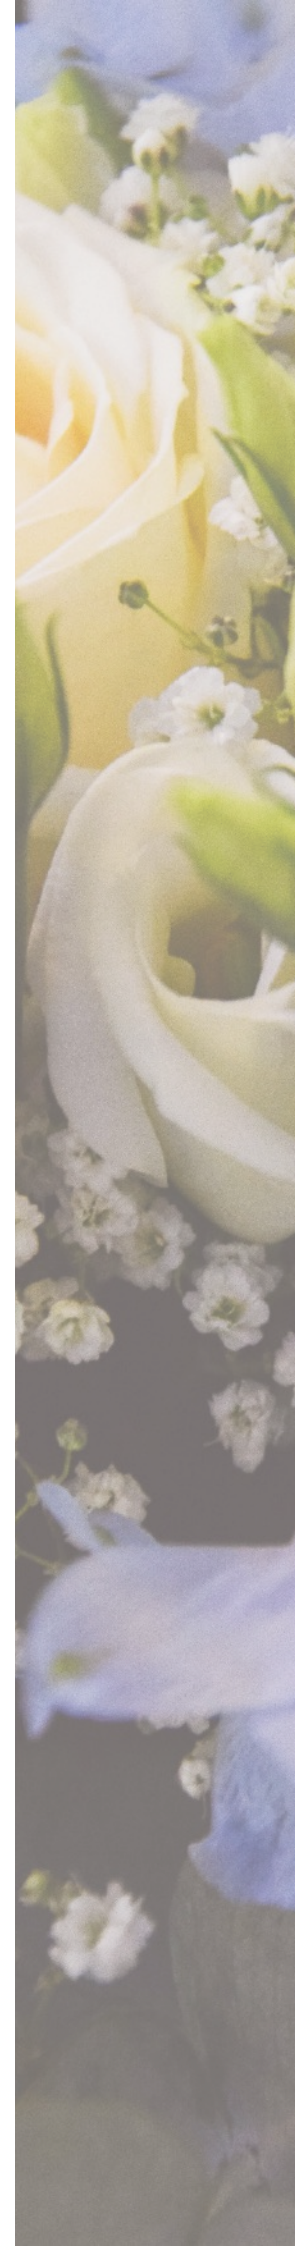

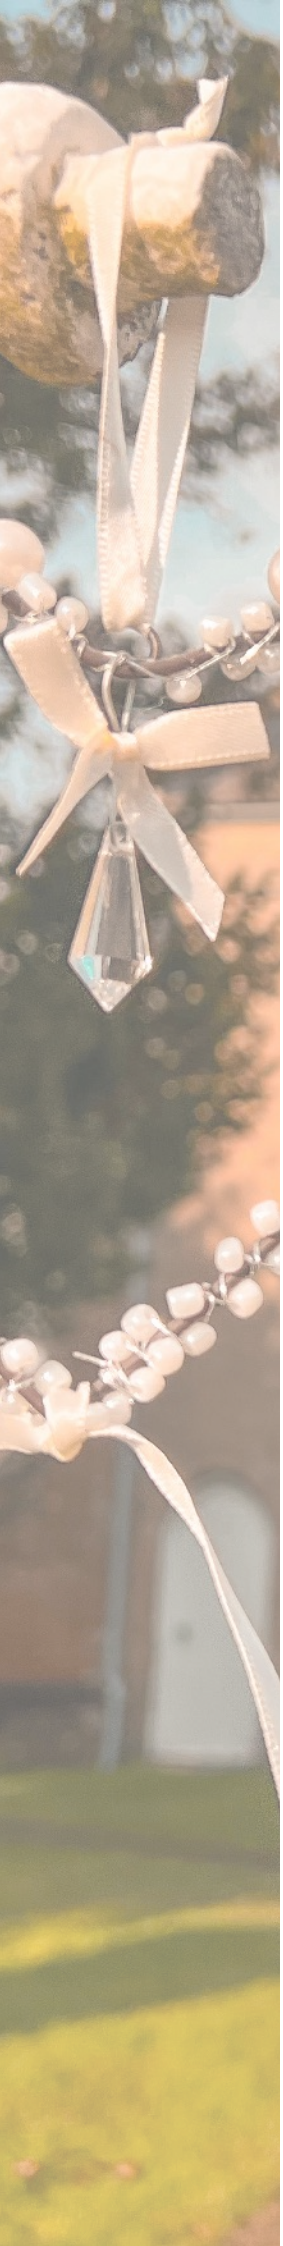

## BEHIND THE LENS

We are Daisy & Selina, a Hampshire based couple who just love making photographs. We live in Fair Oak in Hampshire with our young son, and in our spare time we enjoy the outdoors, exploring the rich countryside and heritage that we are so lucky to have on our doorstep in Hampshire, often with camera in hand!

We found passion behind the camera five years ago after shooting a friend's wedding, and since then we've turned our passion into a successful business. We are excited about creating relaxed, candid, creative and beautiful images but most importantly capturing special moments.

We meet with each couple beforehand, getting a sense of their personality and style so that we can bring them to life on camera. There is nothing more gratifying than seeing smiling, happy couples as they relive their cherished wedding memories through our images.

*"What a fantastic, professional couple. They really made our wedding day! We could not have asked for more. They made us feel so comfortable and at ease, start to finish. We have beautiful pictures from them. They even sent us a sneak peak the night of our wedding which was amazing.*

*Friends and family still comment in how lovely they were and how amazing our photos were! We would highly recommend them and we're just waiting for a special occasion to use them again. They were not just photographers they were part of our wedding. Thank you, again, so much."*
